

# Dictionary & Thesaurus Policy 2017 – 2018

*'Reading and Writing float on a sea of language and vocabulary'*

*James Britton*

## **Rationale**

Leading Learners Multi Academy Trust is passionate about raising the life chances of our young people, preparing them fully for the next stage in their development through an enriched curriculum which places reading and writing at the heart. Our vision is for children to experience a language rich environment which provides opportunities for children to explore vocabulary and apply it to their learning – celebrating success along the way! Research shows that children's vocabulary size approximately doubles between KS1 and KS2 and there is a clear correlation between vocabulary and children's success in later life. Therefore, the Senior Leaders alongside the English Leads of Leading Learners MAT have developed a Dictionary and Thesaurus strategy which is to be embedded, after whole staff training, into each school's teaching and learning approach.
